11th February 2021

Dear All

I am writing to inform you that from Thursday 11th February 2021, Brent Council will be providing **FREE personal protection equipment (PPE)** to unpaid carers who are not living with the person that they take care of.

Brent Gateway Partnership are assisting Brent Council to ensure all unpaid carers, who do not live with the person they care for, are fully protected by supplying **FREE personal protection equipment (PPE)**. This will help stop the spread of Covid-19, whilst carers continue to support their loved ones.

This will help shield any unpaid carer, and those who receive care at home in Brent.

This critical supply will help 'shield' vulnerable residents for the next 3 to 6 months.

It will also protect unpaid carers across the London Borough of Brent.

Each package will contain: 500 gloves, 500 aprons and 500 masks. All **FREE personal protection equipment (PPE)** will be delivered safely to the doorstep at the front of your property. The driver will call you when they are on their way. For your safety all our delivery staff will ensure they observe social distancing and wear PPE.

This offer is available for a limited period only. If you are an unpaid carer or know anyone else that might meet the eligibility criteria, please do not hesitate to contact us ASAP to obtain your **FREE personal protection equipment (PPE)** whilst stocks last.

Don't miss out! Contact us now: info@brentgateway.org or Tel: 020 3948 0600 to receive your **FREE personal protection equipment (PPE)**.
